Lakes Way

*We show respect for ourselves and others
through kind words and deeds.*

*We honor the dignity of every person and
affirm the diverse strengths that enrich our
community.*

*We set high expectations for ourselves and
accept responsibility for our own actions.*

*We support, encourage, and challenge each
other as we strive to be our best in school
and life.*

We celebrate our successes with enthusiasm.

We have the courage to do the right thing.

We are the Lancers and this is the Lakes Way!
